

D'Arbonne Martial Arts 2nd Place Team at Louisiana State Karate Championships

Students from the D'Arbonne Martial Arts Training Center in Farmerville competed at the United States Karate Alliance Louisiana State Karate Championships held in Ruston, La. at the Louisiana Tech Memorial Gym on Saturday the 24th of October. As a team, DMA finished 2nd place overall at the tournament for the second year in a row. Pictured here are our students who competed at the tournament. Refer to the chart below for each individual's placings. We have just moved the school to our new location at 108 South Main Street in Farmerville and this is the first tournament in the area that we were able to attend in large numbers. This was the first competition for several of our newer students and many of our veterans have moved into more advanced and difficult divisions. I am extremely proud of our students and I look forward to even greater achievements in future competitions.. D'Arbonne Martial Arts is a professional, traditional martial arts training center and is open for classes Monday through Thursday nights.
